Re: Workshop

Dr. Debease,

I wanted to thank you for the excellent workshop you gave at our facility last week. The workshop was very informative and energetic. The information received about nutrition, ergonomics, etc. was well received. I have already observed several of the employees heeding. Everyone was pleased with the presentation and I will recommend it to others.

Sincerely,

A handwritten signature in cursive script that reads "Robin A. Hodges".

Robin A. Hodges,  
EHS Coordinator
