Re: Letter of Appreciation

Dear Bob and Pam:

This is just a short note to express the appreciation of the South Metro Human Resources Association and my own personal appreciation for your outstanding presentation last night.

Many of the attendees went out of their way to thank me for bringing such informative speakers to our organization. I have received several e-mails this morning stating how much they enjoyed your presentation. Many of our speakers inundate us with various facts of questionable value during their presentations, but every fact and tidbit of knowledge that you presented was both valuable and interesting. Your handout was excellent.

In addition to being very informative, your presentation also helped our organization from the standpoint that we had several quests in the audience. They were very impressed by your presentation, which helps us maintain our credibility as an organization.

Thanks again to both of you.

Sincerely,

KEVIN J. CHENEY
President, SMHRA
