## Worship Center

---

Dear Alternacare,

Thanks for the wonderful seminar you held for us on August 29<sup>th</sup> here are Grace Covenant Worship Center. The information was very helpful and the interest on the part of our church members was very enthusiastic. We learned so much about nutrition and new methods of healing that most of our people had not been aware of. Your friendly manner and hospitable spirit was greatly appreciated as well as your willingness to answer questions concerning various physical conditions and ailments. The power point presentation was easy to follow and most informative. Chuck and Nola held the attention of the audience giving us excellent insights into body types, hormone levels and optimal health scenarios that we desperately needed to hear about. I was already a fan of yours, having lost 50 lbs under your care and am now more willing than ever to recommend this seminar to other pastors. Your staff has exhibited a high level of integrity and a sincere heart of caring and compassion toward all our church members who are participating in your program. Thanks for all you do to make a difference in the lives of so many individuals and families.

Sincerely,

Pastor Alex Montgomery
