Dear Pam:

I wanted to take a moment to express my appreciation to you and Dr. DeBease for the fine presentations that you provided for our employees last week. The "Peak Performance Workshop" was extremely well received by all who attended, and although the number of employees who took advantage of your presentation was somewhat less than we would have preferred, this is to be anticipated with anything 'new' or 'out of the ordinary'.

I also appreciate your flexibility and willingness to adapt your schedules to our needs so that the opportunity to attend was afforded to the maximum possible number of employees. The feedback I have received from those who attended the workshop has been uniformly positive, and several expressed an interest in additional 'mini-seminars' of this type to augment our regular scheduled safety training program.

Hopefully you will feel free to direct any inquiries from other companies regarding your services to my attention; I will be more than happy to provide a recommendation or any other information they might require.

I look forward to working with you and Dr. DeBease again in the near future. In the meantime, if I may be of any service to you, I trust that you will not hesitate to ask.

Sincerely yours,
