

To Whom It May Concern:

Mr. Chuck Landrum conducted a very informative health workshop for our Young At Heart senior group at Callaway Park Church of God. During the evening, he discussed many topics that related to health issues for older adults.

Young At Heart enjoyed his workshop; and the group felt that the time was well spent. As the group leader, I would recommend him for any future workshop endeavors. He is dedicated to his field of work and enjoys this ministry.

Blessings,

Misti Walls *Bowen*
