Dear Dr. DeBease:

On behalf of Senior Presbyterians Remaining Young (SPRY) at First Presbyterian Church of Peachtree City, I want to thank you for the very informative and interesting presentation you provided at our luncheon meeting.

Your explanation of pressure points and how they affect and alleviate the pains and problems caused by stress was most helpful to our group. The hands on workshop was informative, and I am sure many of our group will use the instruction to their benefit.

Again, thank you for your visit.

Sincerely,

T. L. DuPre
